

STATEMENT OF PURPOSE

RS21586

Allowance is being made for those individuals who may technically qualify for tax, welfare or other benefits or exemptions for the blind, who through assistive devices can meet a minimum visual acuity of 20/40 on the Snellen System or other available systems in at least one eye as documented by a licensed ophthalmologist or optometrist. All other driver qualifications and requirements must also be met.

FISCAL NOTE

This bill has no fiscal impact.
